

Bruce Decker, CET, ROHT, BSSO

Bruce Decker is the Senior Indoor Environmental Specialist at BGIS with over 22 years' experience in the Environmental, Health & Safety and Building Science consulting industries. He heads a national radon testing and mitigation team specializing in commercial buildings for corporate clients across Canada. Bruce is certified in radon measurement, mitigation and radon resistant new construction by the Canadian National Radon Proficiency Program (C-NRPP). Bruce serves as a Member of the Board of Directors for the Canadian Association of Radon Scientist and Technologists. Bruce's education and work experience in the Civil and Environmental engineering fields as well as Occupational Health and Safety gives him solid insight into the radon field.
