WSIB Approves Safety Group Programs!

In July, the WSIB approved the Safety Group Programs for another year including those firms in their fifth or more years! All firms (including 5+ members) will be eligible for a rebate with this approval as well. The Regional Construction Safety Group (RCSG) will once again be gearing up for our 15th year in 2014.

The RCSG will be accepting applications for the 2014 year in early fall. What are the benefits? The RCSG will help you:

- Comply with Legislation
- Create a Healthy and Stable workforce
- Get enhanced access to the WSIB network
- Receive a minimum rebate of \$3,000
- Have networking opportunities
- Stay up-to-date on all safety related news and legislation
- Workplace Audit Assistance
- Potentially improve your WSIB rating.

Electronic Plans Room Demos at TCA

Are you an Electronic Plans Room (EPR) user, but can't seem to find Project Opportunities that fit your line of work?

Each year, thousands of projects are posted on the EPR, offering a diverse range of project opportunities for our members that reflect the sheer diversity of their work. As the saying goes, there is something for everyone.

If you are having trouble navigating the EPR, and not finding projects that interest you, you may benefit from one of our **free EPR demos**. We'll show you how to take full advantage of the EPR's features, so that you can find the projects that matter to YOU.

For questions or to schedule an appointment, please contact Teddy Tse at 416-847-9157 or email tse@tcaconnect.com.
