HST - Place-of-Supply Rules

With the move from the GST to the HST in the provinces of Ontario and British Columbia, business owners and operators may have many questions about how the new HST applies to transactions that straddle provincial and territorial boundaries. In these situations, place-of-supply rules will be applied in order to determine the province in which a given supply is considered to have been made, for GST/HST purposes. The new place-of-supply rules came into effect on May 1st, 2010, and apply across Canada. [Read more](#)

E-Learning by the Construction Sector Council

The Construction Sector Council (CSC) is a national organization committed to the development of a highly skilled construction workforce. One of their ongoing programs is the development of e-learning courses for construction supervisory and managerial personnel. This occurs at the computer over the internet.

CSC has released to date the following courses:

Communication, Negotiation Skills
Project Management
Pipeline Construction Safety Training
Construction Law Course

For a complete description of the programs as outlined above and information on how to purchase the on-line courses, please contact:

The Construction Institute of Canada - www.tcic.ca
Roxanne Drisdelle: 416-499-4000, ext. 116
rdrisdelle@tcaconnect.com

Following the course purchase, TCIC will email back to each student a USER ID and Password to access the course on the CSC website at: <http://elearning.csc-ca.org>.

CCA Gold Seal Certification Program

The mission of CCA's Gold Seal Program is to establish, administer and continuously improve professional certification standards for construction management excellence and through promotion of education and training.

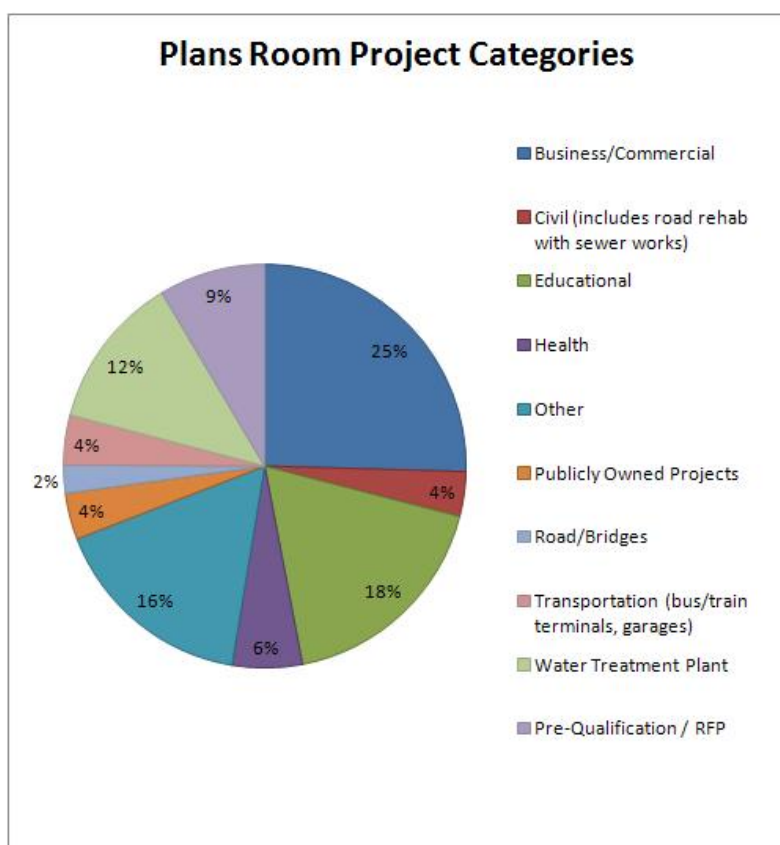

By establishing the Gold Seal Certificate as the national standard for construction management competence, outcomes will include a greater emphasis by the industry on continuous construction management education and training; more accessible construction education and training consistent with industry requirements and a more professional image for the industry in the eyes of the public, the employer and the client.

To learn more about the Gold Seal Certification Program, visit the CCA website as - www.cca-acc.com/goldseal.

Completed applications can be forwarded to **Roxanne Drisdelle** at **TCA, 70 Leek Cres., Richmond Hill, Ontario, L4B 1H1** for local approval.

Project Bid Opportunities
