On September 29th, 2010 over 100 members and staff gathered together at the Waterside Inn in Port Credit to celebrate the 20th Anniversary of Mississauga Construction Association. Her Worship, **Mayor Hazel McCallion** presented a Certificate of Recognition to MCA which proclaims: "During this period, Mississauga has experienced tremendous growth and expansion and the Mississauga Construction Association has played a significant role in making this possible." The event was a great success and the feedback from our members proves it. "Congratulations, very well done, could not have been better" said David Spagnolo from Wesmech Technical Sales Inc.

We, at Mississauga Construction Association have been providing project opportunities, affidavit services, marketing opportunities, networking and financial savings to our members for 20 years. Now like never before, we are proud to say that MCA will continue to provide these same great services to help our members grow and prosper in these times.

Once again, MCA would like to congratulate our members and staff on reaching this important milestone.
